

**Notification of Intention to submit a Thesis for Examination**

*This form must be completed electronically and signed by the candidate. Please insert answers in the grey boxes or click on choose an item to select from the drop down lists available.*

*Please note that the Doctoral Academy is unable to accept handwritten, incomplete or unsigned applications.*

**THE CANDIDATE**

Surname: Lisboa-Wright

Forename(s): Alexander

Student ID No: 816460

**REGISTRATION DETAILS**

Start Date (dd/mm/yy): 03/10/2017

School: ARI

Attendance Type: Full-Time

Currently registered for: MPhil

**Original Title of Research Programme:**

Rotation & levitation in stellar evolution modelling

*At this stage it is important to review the title of your thesis to ensure that it still accurately reflects the work undertaken during your research programme. If you wish to amend the title of your research programme and your thesis please provide the original title of your research programme in the space above and the amended title in the space below.*

**Amended Title of Research Programme:**

Modelling interstellar extinction in stellar populations

**MONTH AND YEAR INTENDING TO SUBMIT THESIS:** 07/2019

**Signature:**

**Date:** 13/06/2019
